Girl, we can touch tonight
Yeah, we can touch tonight

I know you see me lookin
I see you movin there
I like the way you work it tip
That ass up in the air

I wanna give you something
Something that you can taste
You know I got good taste
Let me wipe that skeet skeet off your face

And I don't want your number
And I won't give you mine
But if you buy my CD
You can have my anytime

Cause that's just my state of mind
And girl I got a smash
Hurry up and take this pic
While I take this trojan out to trash

Girl, we can touch tonight
Don't act so fickle
Come feel my pickle tickle
Yeah, we can touch tonight
First I like a little
Then feel my pickle tickle

Girl you can bring your friend
In fact I'd like you to
You take off take off all each others clothes
And pose for camera crews.

I think you like me too
Don't bite my neck girl (oooh)
Just do to me the sexy things
That no one would expect you too

I won't tell anybody
I'm not just anybody

You think I'd even spend a minute
With just any hottie?

I think you turn me on
I might just burn you out
Girl I might just have to pop that crotchie
And just turn you out

Girl, we can touch tonight
Don't act so fickle
Come feel my pickle tickle
Yeah, we can touch tonight
First I lick a little
Then feel my pickle tickle

Girl, we can touch tonight
Don't act so fickle
Come feel my pickle tickle
Yeah, we can touch tonight
First I lick a little
Then feel my pickle tickle

Seniorita fina, mia mama mia
Tus ojos me miran eres mi fantasia
Quitate la ropa tu eres una loca
Se que a ti te gusta
Cuando te la tocan
Cuando te la tocan
Cuando te la tocan
Cuando te la tocan
Cuando te la tocan

Girl, we can touch tonight
Don't act so fickle
Come feel my pickle tickle
Yeah, we can touch tonight
First I lick a little
Then feel my pickle tickle

Girl, we can touch tonight
Don't act so fickle
Come feel my pickle tickle
Yeah, we can touch tonight
First I lick a little
Then feel my pickle tickle

Don't act so fickle
Come feel my pickle tickle

First I lick a little
Then feel my pickle tickle

Girl, we can fuck tonight
