Whats the deal with this world today?  
Whats with all the war and all of the hate?  
Dont even wanna turn on the TV  
Cuz all I see are stories of negativity  
But if I walk out in my neighborhood  
I know my people be tryin to do good  
And its the same all over the world  
So crank up your stereo y cantalo conmigo

Hey! Lets do it right  
Hands in the air, wave em side to side  
Get up, stand up, we dont have to fight  
Rumba macumba melao tonight  
Hey! Una nacion  
El sentimiento se hace cancion  
Mano a mano en un mismo amor  
Hoy somos un solo Corazon

Blow them horns, lemme hear them even more  
Levanta la mano for peace, harmony and love  
From PR to Japan and back again  
Let me hear you all at once, let me hear you scream  
All we have is one heart and one love

Lets come together people all around the world  
En la union esta la fuerza escuchalo  
So crank it up more, somos un solo Corazon  
Hey! Lets do it right  
Hands in the air, wave em side to side  
Get up, stand up, we dont have to fight  
Rumba macumba melao tonight  
Hey! Una nacion  
El sentimiento se hace cancion  
Mano a mano en un mismo amor  
Hoy somos un solo Corazon

Santa Maria  
Libranos de todo mal  
Y amparanos SeÃ±or  
De este gran rumbon mundial  
Santa Maria  
Libranos de todo mal

Y amparanos SeÃ±ora  
De este gran rumbon mundial  
Hoy la uniÃ³n se convierte en canciÃ³n  
No Importa la raza o la religiÃ³n,  
Y que tenemos en comÃºn un corazÃ³n,  
Soy portavoz de la paz , mensajero de la naciÃ³n

Hey! Lets do it right  
Hands in the air, wave em side to side  
Get up, stand up, we dont have to fight  
Rumba macumba melao tonight  
Hey! Una nacion  
El sentimiento se hace cancion  
Mano a mano en un mismo amor  
Hoy somos un solo Corazon
