There he stood in the street  
Smiling from his head to his feet,  
I said hey, what is this?  
Now baby maybe, maybe he's in need of a kiss  
I said hey, what's your name baby  
Maybe we can see things the same  
Now don't you wait or hesitate  
Let's move before they raise the parking rate

All right now baby, it's all right now  
All right now baby, it's all right now

I took him home to my place  
Watching every move on his face  
He said look, what's your game baby,  
Are you tryin' yo put me in shame?  
I said slow, don't go so fast,  
Don't you think that love can last?  
He said love, lord above,  
Now you're tryin' to trick me in love

All right now baby, it's all right now  
All right now baby, it's all right now
