duet with Brad Kane  
I can show you the world  
Shining, shimmering, splendid  
Tell me princess, now when did  
You last let your heart decide?  
I can open your eyes  
Take you wonder by wonder  
Over, sideways and under  
On a magic carpet ride  
A whole new world  
A new fantastic point of view  
No one to tell us no  
Or where to go  
Or say we're only dreaming  
A whole new world  
A dazzling place I never knew  
But, now, from way up here  
It's crystal clear  
That now I'm in a whole new world with you  
Unbelievable sights  
Indescribable feeling  
Soaring, tumbling, freewheeling  
Through an endless diamond sky  
A whole new world  
(Don't you dare close your eyes)

A hundred thousand things to see  
(Hold your breath it gets better)  
I'm like a shooting star  
I've come so far  
I can't go back to where I used to be  
A whole new world  
With new horizons to pursue  
I'll chase them anywhere  
There's time to spare  
Let me share this whole new world with you  
A whole new world  
(Every turn a surprise)  
With new horizons to pursue  
(Every moment red-letter)  
I'll chase them anywhere  
There's time to spare

Anywhere, there's time to spare  
Let me share this whole new world with you  
A whole new world  
That's where we'll be  
A thrilling chase  
A wondrous place  
For you and me
