(jose mari chan)

My head's in a jam  
Can't take you off my mind  
From the time we met  
I've been beset by thoughts of you  
And the more that I ignore this feeling  
The more I find myself believing  
That I just have to see you again

I can't let you pass me by  
I just can't let you go  
But I know that I am much too shy  
To let you know  
Afraid that I might say the wrong words  
And displease you  
Afraid for love to fade  
Before it can come true

Like a child again  
I'm at a loss for words  
How does one define  
A crush combined with longing?  
Longing to possess you oh so dearly

I'm obsessed by you completely  
I'll go mad if I can't have you

I can't let you pass me by  
I just can't let you go  
But I know that I am much too shy  
To let you know  
Afraid that I might say the wrong words  
And displease you  
Afraid for love to fade  
Before it can come true

(instrumental)

I can't let you pass me by  
I just can't let you go  
Let me say the things and say the words

To let you know  
I would rather say the awkward words  
Than lose you  
Or for love to fade  
Before it can come true
