Chorus:

You know I can't smile without you
I can't smile without you
I can't laugh and I can't sing
I'm finding it hard to do anything

You see I feel sad when you're sad
I feel glad when you're glad
If you only knew what I'm going through
I just can't smile without you

You came along just like a song
And brightened my day
Who would believe that you're part of a dream
Now it all seems light years away

You know I can't smile without you
I can't smile without you
I can't laugh and I can't sing
I'm finding it hard to do anything

You see I feel sad when you're sad
I feel glad when you're glad
If you only knew what I'm going through
I just can't smile

Some people say happiness takes
So very long to find
But I'm finding it hard
Leaving your love behind me, so you see

I can't smile without you
I can't smile without you
I can't laugh and I can't sing
I'm finding it hard to do anything

You see I feel glad when you're glad
I feel sad when you're sad
If you only knew what I'm going through
I just can't smile without you
