(b. andersson/b. ulvaeus)

Chiquitita, tell me what's wrong  
You're enchained by your own sorrow  
In your eyes, there is no hope for tomorrow

How I hate to see you like this  
There is no way you can deny it  
I can see that you're oh, so sad, so quiet

Chiquitita, tell me the truth  
I'm a shoulder you can cry on  
Your best friend, I'm the one you must rely on  
You were always sure of yourself  
Now I see you're broken and fed up  
I hope we can patch it up together

Refrain:

Chiquitita, you and I know  
How the heartaches come and they go  
And the scars, they're leavin'  
You'll be dancin' once again  
And the pain will end  
You will have no time for grievin'

Chiquitita, you and I cried  
But the sun is still in the sky  
And shining above you  
Let me hear you sing once more  
Like you did before  
Sing a new song, chiquitita  
Try once more, like you did before  
Sing a new song, chiquitita

So the walls came tumblin' down  
And your love's turned lonely and dreadful  
All is gone and it seems too hard forever

Chiquitita tell me the truth  
There is no way you can deny it  
All I see that you're, oh so sad, so quiet

(repeat refrain)

Coda:

Try once more, like you did before

Sing a new song, chiquitita
