Lea:

I've been thinking
It seems we're going nowhere
You don't share my feelings
It doesn't seem fair
I guess there's nothing
Much more I can do
I know I've got to try
And make it without you

I don't love you anymore
Can't you see, it's just no good
I've gotta walk out that door
There's nothing left to say
I've gotta go my way
Try and understand

Ariel:

We've had bad times
But that's no reason to go
I can't live without you
I need you, don't you know
That I still love you
Don't, don't do this to me
You know I won't make it alone

Can't you see

Lea: ariel:

I don't love you anymore don't do this to me
Can't you see it's just no good
I've gotta walk out that door
That's no reason to go
There's nothing left to say
I can't live without you
I've gotta go my way
Oh no...

Lea: ariel:

I don't love you anymore

Don't do this to me
Can't you see it's just no good
I've gotta walk out that door
That's no reason to go
There's nothing left to say
I can't live without you
I 've gotta go my way
Try and understand
Okay
If there's no other way
Then, go
