(m. aquino)

Charlie:

Bakit ba 'pag kausap ka

I know that our love is forever

Lea:

Lalo na 'pag kasama ka

I know that we're made for each other

Both:

'cause I still believe in love at first sight

I don't think it's right to leave me

Just for a lonely night

And since our love will stand the test of time

Lea:

Maybe you and me will play it right

Charlie:

Nais ko na malaman mo

I'm willing to wait for a while

Lea:

Wait and see, what our love can be

We're ready to face life together

Both:

'cause I still believe in love at first sight

I don't think it's right to leave me

Just for a lonely night

And since our love will stand the test of time

Maybe you and me will play it right

Both:

'cause I still believe in love at first sight

Charlie: lea:

I don't think it's right to leave me ohhh

Both:

Just for a lonely night
And since our love will stand the test of time

Charlie:
Maybe you and me will play it right

Lea:
Bakit ba 'pag kasama ka

Both:
'pag kasama ka.
