(rene novelles)

Oooh oooh oooh oooh

What I feel inside me
I never felt before
My arms are shaking
Whenever you walk through my door

And through the night
I feel so alive
When you and i
Are together side by side

I wanna little love
Give me love
I wanna little love
From you

I wanna little love
Give me love
I wanna little love
Deep inside you

I need your lovin'
Makes my heart feel satisfied
I feel on movin'
Everytime you walk me by

The feel of love
Just a bit of love
I want from you
And in fact the rest let me do

I wanna little love
Give me love
I wanna little love
From you

I wanna little love
Give me love
I wanna little love

Deep inside you

(instrumental)

Let me hold you
I want to feel the heat inside
Let my arms around you

Let me know you're my desire

The feel of love
Just a bit of love
I want from you
And in fact the rest let me do

I wanna little love
Give me love
I wanna little love
From you

I wanna little love
Give me love
I wanna little love
Deep inside you

Spoken:
I wanna little love
I wanna little love from you

The feel of love
Just a bit of love
I want from you
And in fact the rest let me do

I wanna little love
Give me love
I wanna little love
From you

I wanna little love
Give me love
I wanna little love
Deep inside you

I wanna little love
Give me love
I wanna little love
From you

I wanna little love
Give me love

I wanna little love
Deep inside you (to fade)
