The night is like a lovely tune  
Beware, my foolish heart  
How white the ever constant moon  
Take care, my foolish heart

There's a line between love and fascination  
That's hard to see on an evening such as this  
For they're both give a very strange sensation  
When you're lost in a magic of a kiss

Your lips are much too close to mine  
Beware, my foolish heart  
But should our eager lips combine  
Then let the fire start

For this time, it isn't fascination or a dream  
That will fade and fall apart  
This time it's love, this time it's love  
My foolish heart

There's a line between love and fascination  
So hard to see on an evening such as this  
For they're both give a very strange sensation  
When you're lost in a magic of a kiss

Your lips are much too close to mine  
Beware, my foolish heart  
But should our eager lips combine  
Then let the fire start

For this time, No, it isn't fascination or a dream  
That will fade and fall apart  
This time it's love, this time it's love  
My foolish heart
