(cecile azarcon)

What must I do to make you understand?
You mean everything to me
Don't have the strength to say
Give this heart of mine a chance
And maybe then you will see

Refrain 1:

I'll do anything, do anything that you tell me
I'll be there, I'll be there if you need me

Chorus:

Reachin' out to you
Do you feel it too
Lovin' you is all I wanna do
I'm completely sure
I've never felt this way before
When I smile you know that there is something more

What must I do so I can make you see
The light that shines in my eyes
You brighten up my day
You even help me find my way
I wish you're always by my side

Refrain 2:

And I can't stop, don't know how to stop
Thinkin' of you
And I'll do anything, do anything to be near you

Reachin' out to you
Do you feel it too
Lovin' you is all I wanna do
I'm completely sure
I've never felt this way before
When I smile you know that there is something more

Reachin' out to you
Do you feel it too
Lovin' you is all I wanna do
I'm completely sure

I've never felt this way before
Deep inside you know that there is something more
Deep inside you know that there is something more
