There's a saying old  
Says that love is blind  
Still we're often told  
Seek and we shall find  
So I'm gonna seek a certain girl I have in mind  
Looking everywhere, haven't found her yet  
She's the big affair, i cannot forget  
Only girl I ever thinkof with regret...  
I would like to addmy initials to her monogram  
Oh. tell me where isthe shepperd  
For this lost lamb  
There's a somebody i'mlonging to see  
I hope that she turnsout to be  
Someone who watch overme  
Well, I'm a little lambwho's lost in the wood  
I know I could alwaysbe good  
To one who'li watchover me  
Although I may not bethe man  
Some girls think ofas handsome  
To her heart I'll carrythe key  
Oh. won't you tellher, please,  
To put on some speed  
Follow my lead  
Oh, how I need...  
Someone to watch overme...  
Someone to watch overme.
