(louie ocampo/allan ayque)

There are nights
When I can't help but cry
And I wonder why
You have to leave me

Why did it have to end so soon
When you said that you would never leave me

Refrain:
Tell me
Where did I go wrong
What did I do to make you change
Your mind completely

When I thought
This love would never end
But if this love's not ours to have
I'll let it go with your goodbye

(instrumental)

Oh, why did it have to end so soon

When you said that you would never leave me

Tell me
Where did I go wrong
What did I do to make you change
Your mind completely

When I thought
This love would never end
But if this love's not ours to have
I'll let it go with your goodbye

Oh, tell me
Where did I go wrong
What did I do to make you change
Your mind completely

When I thought
This love would never end
But if this love's not ours to have
I'll let it go with your goodbye
