Again we understand
Mauled by greasy hand
Worked to the bone, again
Feel it ready
Once more it's ready
Believe that speed will win
Again
Faster than light and harder
Bleeds into overkill
Faster than light and harder
Never stop never ever
Truth lies at the core
It always worked before
Starve to the bone
Some more
Takes forever
Feels like it takes forever
Believe that speed will win
Some more
Again we prostitute
And hold a greasy hand
Cooked off the bone
Cooked to the end
Is it ready
Believe it ready
And know that speed will win
Again
