-----  
See what I see  
The clumsy gait of eternity  
Here as it lies  
Brings a gleam to my eye  
Gesture with a sweeping hand  
The farthest reaches of what I am  
Lo! What I know  
The tripping it seems to grow  
Here as it lies  
Brings a tear to my eye  
Signal with a jerking hand  
The farthest reaches of what I am  
Give what I give  
The lumbering state I seem to live  
Here as it lies  
Brings a mist to my eye  
Beckon with a frantic hand  
The farthest reaches of what I am
