Hang on to the world
It's spinning like a top
Hold on to the world
It's screeching to a stop
Say when the story's over
Or when the meaning itself is lost
Hang on for the moment
Saome tardy offer
Melting into a god
1 is starting
2 is running
3 is hiding
4 is dying
Study time through a vacuum
Every thing every sight and sound
Ignore a false foundation
Still standing on shaking ground
Peice of ash, peice of granite
Sitting in for peice of mind
Hang on for the moment
Leaning towards payback in kind
