Jumpin' Judy, Jumpin' Judy  
Jumpin' Judy, Jumpin' Judy  
Jumpin' Judy, Jumpin' Judy  
All over this world, all over this world

Well you kick and stomp and beat me  
Well you kick and stomp and beat me  
Well you kick and stomp and beat me  
Tha's all I know, thats all I know

Yonder come my captain  
Yonder come my captain  
Yonder come my captain  
Who has been gone so long, who has been gone so  
long

Gonna tell him how you treat me  
Gonna tell him how you treat me  
Gonna tell him how you treat me  
So you better git gone, so you better git gone
