My girl, my girl, don't lie to me
Tell me where did you sleep last night
In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through
My girl, my girl, where will you go
I'm going where the cold wind blows
In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through
Her husband, was a hard working man
Just about a mile from here
His head was found in a driving wheel
But his body never was found
My girl, my girl, don't lie to me
Tell me where did you sleep last night
In the pines, in the pines
Where the sun don't ever shine

I would shiver the whole night through
My girl, my girl, where will you go
I'm going where the cold wind blows
In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through
My girl, my girl, don't lie to me
Tell me where did you sleep last night
In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through
My girl, my girl, where will you go
I'm going where the cold wind blows
In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through
