Milo: Aiyo, this is Cut Monitor Milo  
Know what you do before you get involved with it

[Charlie Brown] + (Leaders of the New School)  
Just when ya  
Just when ya  
(Just when ya thought it was safe!)  
KO, now let your homeboy in on the scoop (scoop)  
Yo, but now your life is turning for a loop (a loop)  
And things (and things) yo, aren't so great in paradise  
Shit, your friend (friend) is kickin' it to your girl (girl.  
Girl? Girl!)  
Left you (left you) leavin' you (leavin' you) and now you  
just contemplate suicide  
(Just when you thought it was safe!)

[Busta Rhymes] + (Leaders of the New School)  
Man, to smoke that white rock jumbo (jumbo)  
You should have known it was a no-no (no-no)  
It's stunning (stunning)  
But now you're living foul and slumming  
You thought it was okay (okay)  
To sex that girl without a condom (condom)  
You know you had your sex pandemonium (monium)  
But instead (instead) with AIDS you lay on your death  
bed  
(Just when you thought it was safe!)

[Dinco D] + (Leaders of the New School)  
My man, to take that plane over seas (the seas)  
And then the terrorist group the Killer Bees (the Bees)  
Claims a bomb is on board your flight  
And due to explode in the boom (B-B-B-Bang!)  
Now you're on a mission to nowhere (nowhere)  
Like an innocent victim, it's sad  
Quite a shock, and really disturbing  
(Just when you thought it was safe!)

Charlie Brown: Yo man, I heard you was with my girl  
behind my back man  
Busta Rhymes: I wasn't with her G

(Just when you thought it was safe!)

Busta Rhymes: With your base pipe and your rock, now  
you're slummin', G

(Just when you thought it was safe!)

Dinco D: I'll pass on the Sandals and walk, you know  
what I'm sayin'

(Just when you thought it was safe  
to live, safe to trust  
But then again... na na na IT REALLY WASN'T!)

[Busta Rhymes] + (Leaders of the New School)  
Safe is the way of the mind (the mind)  
To avoid trouble, risk you may find (may find)  
All those (all those) we may (we may) huh, live in a  
trifling time

[Charlie Brown] + (Leaders of the New School)  
Yo, yo but then again (again)  
Think of the whole equation (what?)  
If life and death are negative (or a positive)  
Judged by the actions of your soul

[Dinco D] + (Leaders of the New School)  
I said time after time after time (time)  
Things may fall out of line (outa line)  
So consider (consider) my whole agenda (agenda)  
The Leaders have seen a new sign of peace (peace)  
Equality (equality)  
Busta Rhymes: Amongst man, woman and child  
Charlie Brown: Yo be safe and secure (righteous and  
pure)  
cause now is when times gets wild

(Just when you thought it was safe!) {\*4X\*}
