"Life Is Painful"

Don't talk to me
Just stay inside your nightmare
Don't blind me
Nobody likes you anywhere
Stay away
From masters of the unborn
Break away
Your soul will be torn
Blame yourself
Your innocence is changing
Your guilty
And nothing is changing
Hit yourself
And wake up to reality
Look at your face
And you will see me
Life is painful and hard to bear
You look for comfort but no one cares
Life is painful and hard to bear
You look for comfort but no one cares
Life is painful
You make me sick
Tempt yourself
With all of nature's wonders
Cry for help
Your life is in chains
Don't talk to me
Just stay inside your nightmare
Don't blind me
Nobody like you anywhere
