Listen to the voice of Buddha
Saying stop your sericulture
Little people like your offspring
boiled alive for some god's stocking
Buddha's watching Buddha's waiting

Just because the kid'S an orphan
is no excuse for thoughtless slaying
Children don't forget this torture
Just because you call her mother
doesn't mean that she's your better

Once more withe the voice of Buddha
He'll say carry on your slaughter
Who cares for the little children
you may slice with no conviction
Blind revenge on blameless victims
