Broken doll baby  
And she says that life's a waste  
It doesn't have to be that way

Dad threw away her mom  
Her mom gave up his name  
Crucified by their words  
Nailed by shame

She stares into the sun  
Self-inflicted pain  
She sees that they're blind  
Why does she take all the blame

The rhyme has changed compulsion rules  
Mary's little lambs are now raised by wolves  
A voyeur with wings flashes a cure  
She knows forbidden things they have a lovely lure

It's alright it's ok  
Welcome to this life  
Killin' time  
Just watchin' the grass grow

It's alright it's ok  
Welcome to this life  
Don't worry sweet baby  
'cause it's over before you know

Persecuted she's not normal  
I envy her strange ways  
Seven deadly sins  
Seize the hour seize the day

Her ideas need expression  
Her wounds never bleed  
Her beauty lives in my eyes  
Too bad she can't see

She doesn't try I watch her spirits die  
But giving up the ghost would feel so good

A voyeur with wings flashes a cure  
She knows forbidden things they have a lovely lure

It's alright it's ok  
Welcome to this life  
Killin' time  
Just watchin' the grass grow

It's alright it's ok  
Welcome to this life  
Don't worry sweet baby  
'cause it's over

Chorus 2x

Crumbling camelot idle teardrops  
Cloudy diamonds freebase funhouse  
Expecting to fly but she's just standing still  
Every time she gets it up she just can't close the deal

So she gives herself another way out  
Walks her dog for the 50th time and  
Files her nails till they bleed and she cries now  
She doesn't have to try
