Van Gogh lent me his ear
Now the picture is clear
I can finally hear
Girls, they grow like the weeds
We're replaceable beings
Just tell her what you told me

Over-indulge, hit the spot
Take too much, take some more
Let habits form, praise the Lord
Give me more, don't get bored

Bow down to the mass
Fill in the gap, fill the hole in your head
Bow down to the mass
Fill in the gap, fill the hole in your head

How insane would I be
If you fed on me
And I found sanctity?
Bless this body, received
If I say the right things
Will you pretend to love me?

Over-indulge, hit the spot
Take too much, take some more
Let habits form, praise the Lord
Give me more, don't get bored

Bow down to the mass
Fill in the gap, fill the hole in your head
Bow down to the mass
Fill in the gap, fill the hole in your head
Bow down to the mass
Fill in the gap, fill the hole in your head

Bow down to the mass
Fill in the gap, fill the hole in your head
Bow down to the mass
Fill in the gap, fill the hole in your head
Bow down to the mass
Fill in the gap, fill the hole in your head
