Hangin' from a rope, hangin' from a swing set
I close my naked knees 'cuz I know how the word
spreads
You're lookin' up at me
Look it's heaven in a playhouse in a tree, play with me

Found a slide to ride, hold my dress to my sides
I close my naked knees, nice boys shouldn't see that
You're looking up at me
Look it's candy, take the bait and slide with me, play
with me

Dive in, splash around, play with me
Play with me

Dive in, splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
I'm drowning for a reason

Dive in, splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
I'm drowning for a reason

Close the bathroom door, you can't look anymore
I close my naked knees 'cuz my mama done told me
Will you go with me?
Yes, no, maybe, play with me

Dive in, splash around, play with me
Play with me

Dive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
I'm drowning for a reason

Dive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
Hang with me

Dive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
Play with me, play

Dive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
I'm drowning for a reason

Dive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
Hang with me

Dive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
I'm drowning for a reason

Dive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, splash around
Splash around, play with me
