i love the way you touch me,
forgive me for the push and pull
its an unnatural reaction
to something thats so beautiful
dont give up on me

ill get it right next time
ill try to reverse the crime
i promise you that im
gonna leave the past behind
indecenty and damage done
the legacy of my first love

try to imagine
the unimaginable thing
and dive into the shame
and all the mayhem life can bring
force me down before you help me up

ill get it right next time
try to reverse the crime
i promise you that im
gonna leave the past behind
indecenty and the damage done
the legacy of my first love

you push, i push back
you retreat, i attack
you give in, i give up
its over, its over, its over, its over
its over
run if i come

ill get it right next time
ill try to reverse the crime
i promise you that im
gonna leave the past behind
indecenty and the damage done
the audacity of a serpents tongue
wheres my apology, guilty one?
my first love
