So this didnt go well  
i fell  
oh well  
im on gonna brush off the dirt  
and put on a new skirt

shake it up  
break it down  
spread some love  
and all around  
chase the rush shoot the breeze  
feel the bullets in my knees

i wanna fall like the waterfall falls  
leap like superman can over supertall walls  
soar like an eagle  
roar like a lion  
never give up  
never stop trying

every prom queens dream turns 53  
rock stars fading gotta find a new scene, yeah  
everybody gets down  
stop your cryin', right now  
hold on to the ones you love  
AND SCREAM

i wanna fall like the waterfall falls  
leap like superman can over supertall walls  
soar like an eagle  
roar like a lion  
never give up  
never stop trying

i wanna live in the moment  
theres so many moments to live in  
ill spread every limb and dive in  
touch all of them

i wanna fall like the waterfall falls  
leap like superman can over supertall walls

soar like an eagle  
roar like a lion  
never give up  
never stop trying

never stop tryin  
oh never stop trying
