Missing You

Is there a day when I'm not thinking of you  
I get so lonely and there's no one to turn to  
You know I try so hard to focus my mind  
I see your smile and I know I'm wasting my time  
I feel your arms around me  
And I hear your voice in my sleep  
And I know this must sound crazy  
But darling I am missing you

CHORUS:

When the moon is high  
And I search the sky  
And I feel you right here inside of me  
I want to be with you  
And no memory will do  
'cause darling I am missing you  
Is there a day when you're not here in my mind  
I seem to find myself just dreaming about you  
Imagination sends me out of control  
I reminisce think about the joy that you bring  
I feel your arms around me  
And I hear your voice in my sleep  
And I know this must sound crazy  
But darling I am missing you

CHORUS

I feel your arms around me  
And I hear your voice in my sleep  
And I know this must sound crazy  
But darling I am missing you

CHORUS (repeat)
