Takin' Back What's Mine  
Something to say, say it now  
Don't make me wait, losing my ground  
We had a love, what a shame  
But I love you all the same  
Still I won't play in your game  
And I need to break free  
'cause you're tripping on me  
Don't take it personal  
You think you love  
But you don't show me  
You think I'm wrong  
But you don't know what's right  
And now I've found my heart after all this time  
I'm takin' back what's mine  
I had your back, who's got it now  
You're off the track, can't be found  
Our love was strong but then you let me down  
Still love you all the same  
But I won't play in your game  
And I need to break free  
'cause you're tripping on me  
Don't take it personally  
You think you love  
But you don't show me  
You think I'm wrong  
But you don't know what's right  
And now, I've found my heart after all this time  
I'm takin' back what's mine  
To think your love was a fantasy  
Only to find you're no good for me  
I shouldn't stay where I don't belong  
I've made up my mind  
I'm takin' back what's mine  
You think you love  
But you don't show me  
You think I'm wrong  
But you don't know what's right  
And now, I've found my heart after all this time  
I'm takin' back what's mine  
The house  
The car

The goldfish  
The dog  
The stereo  
Oh yeah, and my heart
