We Think It's Love
I never wanted
I never wanted to be the one telling you this way
But I can't keep it
I can't keep this to myself anymore another day
We're holding on to feelings from way before
What we want what we need is not there anymore
We think it's love love love love love
But it's crazy
We can't get it right
Still we carry on
Is this love love love love love
Thinking maybe
We've been going on
Far too long
You never asked me
You never asked me how
How I felt those times you went away
You don't need me
Oh no
You don't show me that you want me
I'm just hanging in your way
We're holding on to feelings from way before
What we want what we need is not there anymore
We think it's love love love love love
But it's crazy
We can't get it right
Still we carry on
Is this love love love love love
Thinking maybe
We've been going on
Far too long
We think it's love
We think it's love
We think it's love baby
We think it's love.. We think it's love....etc
Fighting for a reason that I can't ignore
What I want what I need is not there anymore
We think it's love love love love love
We think it's love love love love love
We think it's love love love love love
Thinking maybe

We've been going on
We think it's love love love love love
But it's crazy
We can't get it right
Still we carry on
Is this love love love love love
We've been going on
Far too long
We've been going on
Far too long
