[VERSE 1]

It started at the ice cream parlor, 8 o'clock, she said
call her
So that I can come and get her 'fore she's picked up by
her father
So I smashed up in the Malibu
How would you feel watchin a fine thick hoe just smile
at you?
Dick was rock hard from the start, I couldn't tame him
I didn't want her to see it, so I tried real hard to aim him
I tried to put it to the left, then put it to the right,
between my thighs
But I was embarrassed cause I was wearin sweat pants
showin my dick rise
Man, I knew she saw it, cause it stood up like a totem
pole
Butterflies in my stomach as my scrotums roll
Then she glanced out my window movin her hand up
my lap
She was goin for the dick, I knew the cap
Then she moved her hands up by my nutsack
As her other fingers pressed by my buttcrack
Then she grabbed it, squeezed it, jacked it
Got me out my drawers in the car, damn, she macked
it
The she put her succulent lips
Right up on the helmet of my gold-ass dick
All you heard was slurpin and sirpin
As she was workin with my hand on her head jerkin,
whole car swervin
Immaculate head, man, you can't beat this
Swallowed my dick with lips and tongue and done it all
teethless
She went inside the work bag and then brought out the
whipped cream
I went to the house and parked it and said 'let me serve
this dickfiend'

Laid me on my back, put the whipped cream on my dick
She sprayed it in my ass and licked the split
Oh

Whipped cream, nuts and cherries
Whipped cream, nuts and cherries
Whipped cream, nuts and cherries
Whipped cream, nuts and cherries
I got my whipped, now I want my nuts and cherries
Whipped cream, nuts and cherries

[VERSE 2]

Do you want this dick, tell me that you want this dick (I want it)
Put your legs on my back, clamp tight, let me run it
I was pullin, long-dickin, hittin the walls
I felt the pussy juice just drenched my balls
Pussy hole tight, wet and succulent
Soundin like some firecrackers pop when I was fuckin it
Talkin dirty to me, sayin, "Fuck me harder, baby"
I start dig in that pussy poundin, had her wild and actin crazy
Rolled her ass over with one motion, never came out
Long-dickin it from the back, she screamed and called my name out
(Oh Goldy!) Big smooth round ass on my stomach
So I start to slap it, "Do you want it?" (Yes, I want it)
So I laid back with my dick still inside it
With her back to me, up and down, baby, ride it
Nothin but a long stiff dick in her cock
Deep, had her yellin, "Ooh yeah, that's the spot"
So I start to pump it hard on my back drilling it
She was about to nut and I was too cause I was feeling it
Then she start nuttin, but I didn't want to, I said, "Hold up"
Start her around facin me, then pulled her down and slowed up
Suckin on her earlobes, I'm fuckin romantically
My nut went away within, I was back to fuckin frantically
She was nuttin, she was tired, she was weak, she was whinin
Said she couldn't take no more and said she's 'bout to start cryin
By now I could feel my nut oozin up my shaft
Muscles gettin sore in my thighs and my calf
Started poundin the pussy faster, faster, ooh, I'm bout to nut
Come on, baby, oh - fuck...

Whipped cream, nuts and cherries

Whipped cream, nuts and cherries
I got my whipped cream and nuts, now I want my
cherries
Whipped cream, nuts and cherries

[VERSE 3]

I got a cravin, honey been savin, givin me the appetite
Watchin her grow and preppin her mind, she's ready to
give me the cat tonight
I wrapped her up, packaged her, she's ready for
delivery
After tonight I popped that cherry and she'll always
remember me
The first man that told her and showed her how to fuck
The first man to lick her and show her how to suck
Now let me take my time and say that she is 17
Fine and thick, never been licked a dick, the girl is
heaven-clean
Start suckin on her titties, slid my finger in her pussy
Her hair was trimmed neat, I sho' hate when they bushy
She was squirmin and breathin hard, my finger had her
stuck
I wonder how she'll feel when I really start to fuck
Young bitch don't know what she wants till I teach her
I could lick her pussy, but my dick's the main feature
Took my time putting it in, but you know that I was urgin
To fel the warm pussy of this tight young virgin
I made her look at my dick, play with my dick and
squeeze my balls
Until there were no problems at all
I want this dick to be her best friend, soon she'll learn
to love it
And takin it upon herself to start to suck it and rub it
I put the dick in her mouth, but she bit it
Told her to use her lip jaws and tongue and she did it
Now I broke the ice and the fear is now over
Laid her on her back and put her legs up on my
shoulder
Gently inserted the mushroom head of my dick
She took it for a second, then she pushed me out quick
The tight snappy cock had my dick long and so hard
It took many tries till I really got to go far
When I got inside, I didn't start pumpin
Cause everytime I pulled my dick out she was jumpin
So I fucked her slow, then I start to pick the pace up
She's screamin, squished her face up as we tore the
fuckin place up
Her pussy was so tight, on my dick when I was through
I pulled it inside out and tore the skin, need some
tissue
Wiped the blood offa me, offa her and off the bed

Pussy throbbin, irritated, can't close her legs
Popped her cherry, now it doesn't matter who is after
me
Cause the pussy's always mine, end of verse three
Got that cherry

Whipped cream, nuts and cherries
Whipped cream, nuts and cherries
I got my whipped cream and nuts, now I got my
cherries
Whipped cream, nuts and cherries
