You, you light up my way
You light up my day
This feeling is so brand new.
And I smile at the sun, it's the Summer of Love
It's running right through my veins, yeah
Boy I'm down with you
What we have is true
Cos you make me feel, feel so right

It's the Summer of Love with you again
It's the Summer of Love
It's the Summer of Love with you again
It's the Summer of Love

Clouds are clearing the sky
I'm wondering why
I am feeling so good again.
And I, I think it must be
The way you treat me
I'm orbiting endlessly.

Yeah I'm flying high, on this crazy ride,
cause you make me feel, feel so right.

It's the Summer of Love with you again
It's the Summer of Love
It's the Summer of Love with you again
It's the Summer of Love

Summer of Love and I'm here with you again so good
to be alive.
Sun beating down, I'm spinning around, the party's
getting wild.
This state of mind, this love divine is looking out for
you.
The seasons change, the winters gone
This summer's made for two.

Summer of, Summer of, Summer of Love
It's the Summer of, Summer of Love.
Feels so right

It's the Summer of Love with you again
It's the Summer of Love
It's the Summer of Love with you again
It's the Summer of Love
