BORROWED TIME

~Leahy~

Come and sit here by my side
For our time will soon be gone
And these tears I cannot hide
For it's your turn to move on
I know you were never really mine
You were given to me
On borrowed time
Now I shall stay here on my own
For I know you've been
Called home

Chorus

Turn out the light
And let me love you
One more night
Hold me tight
Oh baby
Tell me everything
Is gonna be alright

Now I know I must be strong
For what else can I do
Won't be easy to go on
For I must learn to live
Without you
I know that life cannot be bought
And there's nothing I should fear
For you'll go no further than God
And God is very near

Turn out the light
And let me love you
One more night
Hold me tight
Oh baby
Tell me everything
Is gonna be alright
Is gonna be alright

Now it's time to let go
It's just part of the plan
So many answers we don't know
But some day we'll understand
Someday

Turn out the light
And let me love you
One more night
Hold me tight
Oh baby
Tell me everything
Is gonna be
Alright
Turn out the light
And let me love you
One more night
Hold me tight
Oh baby
Tell me everything
Is gonna be alright
