I pack my bags,
And get ready to leave.
I say goodbye,
And it gets hard to breathe,
But I know I'm leaving for what I love,

[Chorus]
It'll be
The time of my life,
Oh, I'll wish it'd last forever,
But even if I tried,
I'll never want it to end,
No, never,
But it'll all be left behind,
And I'll wish I could go back in time,
So I could live it all again,

I've given in,
And I'm on my way,
An amaing night,
And one amazing day,
Another night,
Another show,
I do what I love,
Till the curtains close,

[Chorus]
This is...
The time of my life,
Oh, I wish it'd last forever,
But even if I tried,
I never want it to end,
No, never,
But it'll all be left behind,
And I wish I could go back in time,
So I could live it all again,

Oh, it's now or never,
Oh, is it forever or for never?
Oh, I try my best to keep it in,
But letting it out's the only way,
I can win.

The time of my life,
But even if I tried,

It was...
The time of my life,
Oh, I'd wish it'd last forever,
But even if I'd tried,
I never wanted it to end,
No, never,
But it was all left behind,
I still wish I could go back in time,
So I could live it all...again.
