A long time forgotten the dreams that just fell by the way
The good life he promised ain't what she's livin' today
She never complains about the bad time or the bad things he's done
She just talks about the good times they've had
And all the good times to come

Yeah, she's a good hearted woman in love with a good timin' man
She loves him in spite of his wicked ways that she don't understand
With teardrops and laughter they'll pass through this world hand-in-hand
She's a good-hearted woman... lovin' a good timin' man

He likes the bright lights and night life, and good timin' friends
When the party's all over, she'll welcome him back home again
Oh, no, she don't understand him, but she does the best that she can
She's a good-hearted woman... lovin' a good timin' man

I'm a good-hearted woman in love with a good timin' man
And I love him in spite of his wicked ways that I'll never understand
Through teardrops and laughter, we'll pass through this world hand-in-hand
I'm a good-hearted woman... lovin' a good timin' man

Through teardrops and laughter, we'll pass through this world hand-in-hand
I'm a good-hearted woman... lovin' a good timin' man
I'm just a good-hearted woman... lovin' a good timin' man
