(al anderson/jeffrey steele)

Well he used to be mine
Not so very long ago
I ways crazy to ever let him get away
Whoa, girl you should have known better
Than to go braggin' in my face
So forgive me for what I'm 'bout to say

Big deal
So what
Who cares
You just got lucky that's all
It was, shut up, don't want to hear another word about
Candlelight and long stem roses
And how you're fallin' head over heels
In love
So what
Big deal

He's perfect, I heard ya
The first 10 times that you told me
Yeah, yeah
It's amazing
It's lovely
I can't believe I let him go
Whoa, whoa
I regret it there I said it
You call yourself a friend
But you just keep rubin' it in

Big deal
So what
Who cares
You just got lucky that's all
It was
I swear
If I hear another word about
Candlelight and longstem roses
And how you're fallin' head over heels
In love
So what

Big deal

Congratulations I'm just so happy for you
I can't contain the way I feel

Big deal

Big deal

So what

Who cares

You just got lucky that's all

It was

Shut up

Don't want to hear another word

Candle light and long stem roses

And how you're fallin' head over heels

In love

So what

Big deal

In love

So what

Big deal

Ah, ah

It's a real big deal

Oah

Yeah

Ah, ah

It's a real big deal

(repeat until end)

Big deal

Ah, ah

It's a real big deal

In love

So what

Shut up

Ah, ah

It's a real big deal
