I don't like to be alone in the night
And I don't like to hear I'm wrong when I'm right
And I don't like to have the rain on my shoes
But I do love you
But I do love you

I don't like to see the sky painted grey
And I don't like when, nothin's goin my way
And I don't like to be the one with the blues
But I do love you
But I do love you

I love everything about the way your lovin me
The way you lay your head upon my shoulder when you
sleep
And I love to kiss you in the rain
I love everything you do, oh I do-o

And I don't like to turn the radio on

Just to find I missed my favorite song
And I don't like to be the last with the news
But I do love you
But I do love you

I love everything about the way your lovin me
The way you lay your head upon my shoulder when you
sleep
And I love to kiss you in the rain
I love everything you do, oh I do

And I don't like to be alone in the night
And I don't like to hear I'm wrong when I'm right
And I don't like to have the rain on my shoes
But I do love you
But I do love you
But I do love you
But I do love you
