Cannot know, cannot know  
Cannot know, cannot know  
Cannot know, cannot know  
Cannot know

Under a lover's sky  
Gonna be with you  
And no one's gonna be around  
You think that you won't fall  
Well, just wait until  
Til the sun goes down

Underneath the starlight, starlight  
There's a magical feeling so right  
It'll steal your heart tonight

You can try to resist  
Try to hide from my kiss  
But you know but you know  
That you can't fight the moonlight

Deep in the dark  
You'll surrender your heart  
But you know but you know

That you can't fight the moonlight  
No, you can't fight it  
It's gonna get to your heart

There's no escape from love  
Once a gentle breeze  
Weaves it's spell upon your heart

No matter what you think  
It won't be too long  
Til you're in my arms

Underneath the starlight, starlight  
We'll be lost in the rhythm so right  
Feel it steal your heart tonight

You can try to resist

Try to hide from my kiss  
But you know but you know  
That you can't fight the moonlight

Deep in the dark  
You'll surrender your heart  
But you know but you know  
That you can't fight the moonlight

No, you can't fight it  
No matter what you do  
The night is gonna get to you

Cannot know, cannot know  
Cannot know, cannot know  
Cannot know, cannot know

Don't try, girl, you're never gonna win, oh  
Underneath the starlight, starlight  
There's a magical feeling so right  
It will steal your heart tonight

You can try to resist  
Try to hide from my kiss  
But you know but you know  
That you can't fight the moonlight

Deep in the dark  
You'll surrender your heart  
But you know but you know  
That you can't fight the moonlight, no

You can try to resist  
Try to hide from my kiss  
But you know but you know  
That you can't fight the moonlight

Deep in the dark  
You'll surrender your heart  
But you know but you know  
That you can't fight the moonlight  
No, you can't fight it

You can try to resist  
Try to hide from my kiss  
But you know but you know  
That you can't fight the moonlight

Deep in the dark  
You'll surrender your heart  
But you know but you know

That you can't fight the moonlight
