What I'm lookin' for is a love that's forever  
Someone who can capture my soul in a heartbeat and  
stay for all time  
What I'm prayin' for is a match made in heaven  
Someone who will worship my body and still put his  
heart on the line

Commitment  
Someone who'll go the distance  
I need somebody who'll stand power  
Who will make me go weak in the knees

Commitment  
And everything that goes with it  
I need honor and love in my life from somebody  
Who's playin' for keeps

What I'm searchin' for is a man who'll stand by me  
Who will walk through the fire and be my flame in the  
night  
I don't settle for less than what I deserve  
A friend and a lover who'll love me for the rest of my  
life

Commitment  
Someone who'll go the distance  
I need somebody who'll stand power  
Who will make me go weak in the knees

Commitment  
And everything that goes with it  
I need honor and love in my life from somebody  
Who's playin' for keeps

Yeah, I've had promises broken, three words left  
unspoken  
They just left me achin' for more  
But I've found temptation, I won't be impatient  
There's one thing that's worth waitin' for

Commitment  
Someone who'll go the distance

I need somebody who'll stand power  
Who will make me go weak in the knees

Commitment  
And everything that goes with it  
I need honor and love in my life from somebody  
Who's playin' for keeps

Commitment  
Someone who'll go the distance  
I need somebody who'll stand power  
Who will make me go weak in the knees

Commitment  
And everything that goes with it  
I need honor and love in my life from somebody  
Who's playin' for keeps
