I wanna be a cowboy's sweetheart  
I wann learn to rope and ride  
I wanna ride through the plains and the desert  
Out west of The Great Divide  
I wanna hear the coyotes singing  
As the sun sets in the west  
I wanna be a cowboy's sweetheart  
That's the life I love the best.

I wann ride a paint  
Moce it at a run  
I wanna feel the wind in my face

A thousand miles away from all  
Movin' in the cowman's face  
I wann pillow my head  
Beneath the open sky  
As the sun sets in the west  
I wanna strum my guitar and "yodel-le-hee-hee"  
That's the life I love the best
