You and I...

There you go again when ya  
Rub up my skin  
I have to catch my breathe  
I began to sweat  
Oh..

Lips  
Tracing down my neck  
And its scaring me to death  
How'd you learn to draw me to the cliff  
Just to push me off  
Just to push me off the edge

Damn I hate the way you know me  
And Damn  
You kill when you hold me  
Like I'm your world  
Like this wont hurt  
Like a favorite curse hitting every nerve  
Damn  
I'm fighting and I'm losing and  
Damn you  
You're pulling and a pushing  
I'm wrestling with  
I toss and twist  
'Til finally I give in  
Damn...

I hate being addicted  
Only  
You would have predicted  
That I'd be torn  
And worn so thin  
You can see right through  
You can see right through my soul  
Damn I hate the way you know me  
And Damn  
You kill when you hold me  
Like I'm your world  
Like this wont hurt

Like a favorite curse hitting every nerve  
Damn  
I'm fighting and I'm losing and  
Damn you  
You're pulling and a pushing  
I'm wrestling with  
I toss and twist  
'Til finally I give in

I get wreckless, scared, confused  
I feel desperate  
So for you  
And you know it  
You know it  
You know it, yes you do

Damn I hate the way you know me  
And Damn  
You kill when you hold me  
Like I'm your world  
Like this wont hurt  
Like a favorite curse hitting every nerve  
Damn  
I'm fighting and I'm losing and  
Damn you  
You're pulling and a pushing  
I'm wrestling with  
I toss and twist  
Baby I give in  
Damn...
