Don't worry 'bout me
It's all over now
Though I may be blue
I'll manage somehow

Love can't be explained
It can't be controlled
Once day it's warm
Next day it's cold

Don't pity me
'Cause I feelin' blue
Don't be ashamed
It might happen to you

Oh, oh love
Kiss me one time
Then go love, I'll understand
Don't worry 'bout me

Sweet, sweet, sweet love
I want you to be
As happy as I
When you love me

Well, I'll never forget you
Your sweet memory
It's all over now
Well don't worry 'bout me

Then when I tell some heart
One heart goodbye
One heart is free
And one heart will cry

Oh oh, sweet, sweet baby
Sweet baby, sweet
It's alright
Well, don't worry 'bout me
