Mama's cryin' again, her baby's nowhere to be found  
The world has gone and taken her away  
Daddy went and ran off with some white trash half his  
age  
Left me at home to pay for his mistakes

And my sister held my hand  
When that bad boy broke my heart  
Ain't no miles, ain't no man  
Could ever tear us apart

Now here I stand, on roots that deep  
We laugh, we cry, we hurt, we bleed  
The best of friends and worst enemies  
We're all to blame, we're all the same  
Make no apologies, this is my family  
Whoa, this is my family

I can't forget the night that uncle William passed away  
We we're forced to recognize his weird disease  
I ran away and ran around with a man twice my age  
Ain't it funny how some things never change

Now here I stand on roots that deep  
We laugh, we cry, we hurt, we bleed  
The best of friends and worst enemies  
We're all to blame, we're all the same  
Make no apologies, this is my family

And don't you try to shame that name  
'Cause till the death I will defend  
Yeah, the blood runs through my veins  
It's where I start and where I'll end

Now here I stand on roots that deep  
We laugh, we cry, we hurt, we bleed  
The best of friends and worst enemies  
We're all to blame, we're all the same  
Make no apologies, this is my family

Yeah, this is my family  
Whoa, we call this family

Yeah, this is my family
