In your eyes I find the answers to my questions.
In your arms, yeah, I found the world I've waited for.
In your touch, I've found everything I ever needed.
I need nothing more.
Always dreamed of the day when
My dream would find me.
Now my dream's beside me.
You are in my life.
In your arms I know where I belong.
I've never known this feeling, oh,
But it feels like home.
In your eyes I know what I can be.
You opened up your heart to me.
And it Feels Like Home.
When I'm with you, baby,
It Feels Like Home.
All this time there was not much to believe in.
I kept my faith, yeah, that you were waiting there for
me.
I searched this world.
And now my search is finally over.
I Found what I believed.
Always hoped for the day
When my heart would find you.
Now my heart's beside you.

You are in my life.
In my your arms I know where I belong.
I've never known this feeling, oh,
But it Feels Like Home.
In your eyes I know what I can be.
You've opened up your heart to me.
Oh, and it Feels Like Home.
It doesn't matter where I've been,
Or what I've been through.
'Cause I know I've been waiting
Every day of my life
To be with you, to be with you.
In your arms I know where I belong.
I've never known this feeling before,
But it Feels Like Home.
In your eyes I know what I can be.

You've opened up your heart to me, oh
And it Feels Like Home.
When I'm with you baby, it Feels Like Home.
When I'm with you baby, it Feels Like Home.
Feels Like Home, Feels Like Home,
Feels Like, Feels Like, Feels Like
Feels Like Home, Feels Like Home.
It Feels Like Home
