I need a good friend

Who died and crowned me everybody's everything?
I'm even busting my butt through the weekend
By the time I get home there's not an ounce of sanity
Between the dogs, my momma's calls
Is it against the law for me to get what I need?

A good friend and a glass of wine
Someone to say it's gonna be alright
A good friend and a glass of wine
A little pick-me-up to get me through the night

We talk trash and we laugh and cry
That kind of therapy money can't buy
Every now and then, every now and then
Every girl needs a good friend and a glass of wine

I don't need to jet off on a vacation for a week
I'd be happy to have a happy hour
When I'm tired and I'm fried, it gets me right back on
my feet
Yeah, any kind of red or white, a little sister time
It's every smart girl's secret

A good friend and a glass of wine
Someone to say it's gonna be alright
A good friend and a glass of wine
A little pick-me-up to get me through the night

Talk trash and we laugh and cry
The kind of therapy money can't buy
Every now and then, every now and then
Every girl needs a good friend and a glass of wine

A good friend and a glass of wine
Someone to say it's gonna be alright
A good friend and a glass of wine
A little pick-me-up to get me through the night

We talk trash and we laugh and cry
That kind of therapy money can't buy

Every now and then, every now and then
Every girl needs
Every now and then, every now and then
Every girl needs a good friend and a glass of wine

Good friend and a glass of wine
Don't you know that every girl needs
A good friend and a glass of wine?
