I've been catchin' a glance,
do you like what you see?
Even across the room,
your eyes been talkin' to me.
Easy to tell you've turned some heads
In your day
Hopin' you'll choose the next slow dance
To walk my way.
Nothin' like a good lookin',
Good lookin' man.
More 'bout you than meets the eye,
I wanna know first hand.
Baby I've got this strong feelin',
Strong as a woman can.
I'm lookin' into the face of love,
And it's a good lookin' man.
How did you get sweet fit
Right in each of those arms?
Talkin' as if we're all alone,
Workin' your charm.
I'm likin' that edgy temper,
You try not to show.
Notice the shyness in the way,
You smile real slow.
Nothin' like a good lookin',
Good lookin' man.
More 'bout you than meets the eye,
I wanna know first hand.
Baby I've got this strong feelin',
Strong as a woman can.
I'm lookin' into the face of love,
And it's a good lookin' man.
Come a little closer.....
Closer yet.....
The longer and longer I'm with you,
The better and better you get!!!
Nothin' like a good lookin',
Good lookin' man.
More 'bout you than meets the eye,
I'm findin' out first hand.
Baby I've got this strong feelin',

Strong as a woman can.
I'm lookin' into the face of love,
And it's a good lookin' man.
Come a little closer....
Closer yet.....
Ooooooh, Closer yet.....
Closer yet.
