Don't act like I don't know what I'm talking about
Don't forget that I'm the one who knows you inside out
You can't even answer when I ask you what's wrong
Just how much longer can the silence go on?

Honestly
Honestly
There's trouble in your heart that you can't hide from
me
Talk to me
Cause I can see
Your love ain't what it used to be
If I mean anything to you
Don't be afraid to turn me loose
I'm strong enough to face the truth
Honestly

Just say we stand a chance
And you're willing to try
Or say there's nothing left for you and tell me goodbye
We both know love has got to be an open door
And if it's time for you to fly
I can't hold you any more

Honestly
Honestly
There's trouble in your heart that you can't hide from
me
Talk to me
Cause I can see
Your love ain't what it used to be
If I mean anything to you
Don't be afraid to turn me loose
I'm strong enough to face the truth
Honestly

If I mean anything to you
Don't be afraid to turn me loose
I'm strong enough to face the truth
Honestly

Honestly
