How do I get through a night without you?
If I had to live without you
What kind of life would that be?

Oh, I need you in my arms, need you to hold
You're my world, my heart, my soul, if you ever leave
Baby, you would take away everything good in my life

And tell me now, how do I live without you?
I want to know, how do I breathe without you?
If you ever go, how do I ever, ever survive?
How do I, how do I, oh how do I live?

Without you, there'd be no sun in my sky
There would be no love in my life
There'd be no world left for me

And I baby, I don't know what I would do
I'd be lost if I lost you, if you ever leave
Baby, you would take away everything real in my life

And tell me now, how do I live without you?
I want to know, how do I breathe without you?
If you ever go, how do I ever, ever survive?
How do I, how do I, oh how do I live?

Please tell me baby, how do I go on, if you ever leave
Baby, you would take away everything, need you with
me
Baby, don't you know that you're everything good in my
life

And tell me now, how do I live without you?
I want to know, how do I breathe without you?
If you ever go, how do I ever, ever survive?
How do I, how do I, oh how do I live?
