You breathe, new life begins.
You speak and my world makes
Sense, that's how it is, when
It comes to you.

Your mercy has no end,
You're more than just a friend.
It amazes me
You feel the way you do.

I believe in you
And nothin' less.
I believe in you
Can't help myself.
You're all the hope,
The reason that I need.

I believe in you
Just because,
I don't need noone, to prove your love.
For all that I have seen, it's easier for me
To believe in you.

You are so beautiful.
You are the miracle,
That dries the tears,
Heals a wounded a heart.
And it's so clear to see
Your hand in everything.
You are there for me,
there to see me through.

I believe in you
And nothin' less.
I believe in you
Can't help myself.
You're all the hope,
The reason that I need.
I believe in you
Just because,
I don't need noone,
To prove your love.

For all that I have
Seen, it's easier for me
To believe in you.

Through the fire and
Through the rain. I know
Your love, for me, will never ever change.

I believe in you and nothin' less.
I believe in you
Can't help myself.
You're all the hope,
The reason that I need.

I believe in you just because,
I don't need noone, to prove your love.
For all that I have seen, it's easier for me
to believe in you.

And nothin' less.
I believe in you
Can't help myself.
You're all the hope, the reason that I need.

I believe in you just because,
I don't need noone, to prove your love.
For all that I have seen, it's easier for me
To believe in you.
