(Diane Warren)

Sometimes the time comes along  
When it's time  
Time to move on  
You'll still be there  
In everything that I do  
And wherever I go I'll remember you

Leaving ain't not leaving  
Cause I'm not leaving you behind  
You'll always be with me  
Always be with me  
Part of my heart from time  
Wherever I'm going  
Even if it's just in my mind  
Leaving ain't not leaving  
I'm not leaving you behind

Moments shared there with you  
There the best times that I ever knew  
They'll still be there  
When good-byes are all through  
I'll remember those days  
I'll remember you

Leaving ain't not leaving  
Cause I'm not leaving you behind  
You'll always be with me  
Always be with me  
Part of my heart from time  
Wherever I'm going  
Even if it's just in my mind  
Leaving ain't not leaving

I'm not leaving you behind

I'll hold on to the memory  
Cause in my heart you'll be here with me  
There's no reason to cry  
Good-bye really isn't good-bye

Leaving I'm not leaving  
Cause I'm not leaving you behind  
You'll always be with me  
Always be with me  
Part of my heart from time  
Wherever I'm going  
Even if it's just in my mind  
Leaving I'm not leaving  
I'm not leaving you behind

Leaving I'm not leaving  
I'm not leaving you behind  
REPEAT 3 TIMES:  
(Not leaving you)  
I'm not leaving you  
REPEAT UNTIL END:  
No, no, no  
I'm not leaving you  
No, no, no
